SUMMARY

Full Stack Web Developer and graduate of the University of Richmond coding bootcamp. A professional worker with 4+ years of extensive experience as a Computer Refurbishment Specialist, Landscape Technician, and Custodian. Experience in utilizing a combination of strong communication, collaboration, problem-solving, and analytical skills. Ability to design, build, and maintain websites from conception to production. Ability to work in a team environment. Adept at leveraging communicative and interpersonal skills to interact with diverse individuals and groups at all organization levels. Looking for an opportunity that will utilize my skills in technical programming.

TECHNICAL SKILLS

JavaScript ES6+, CSS3, HTML5, SQL, GitHub, MySQL, Sequelize, MongoDB, Mongoose, Express, Node, Handlebars, jQuery, Bootstrap, React, GraphQL
